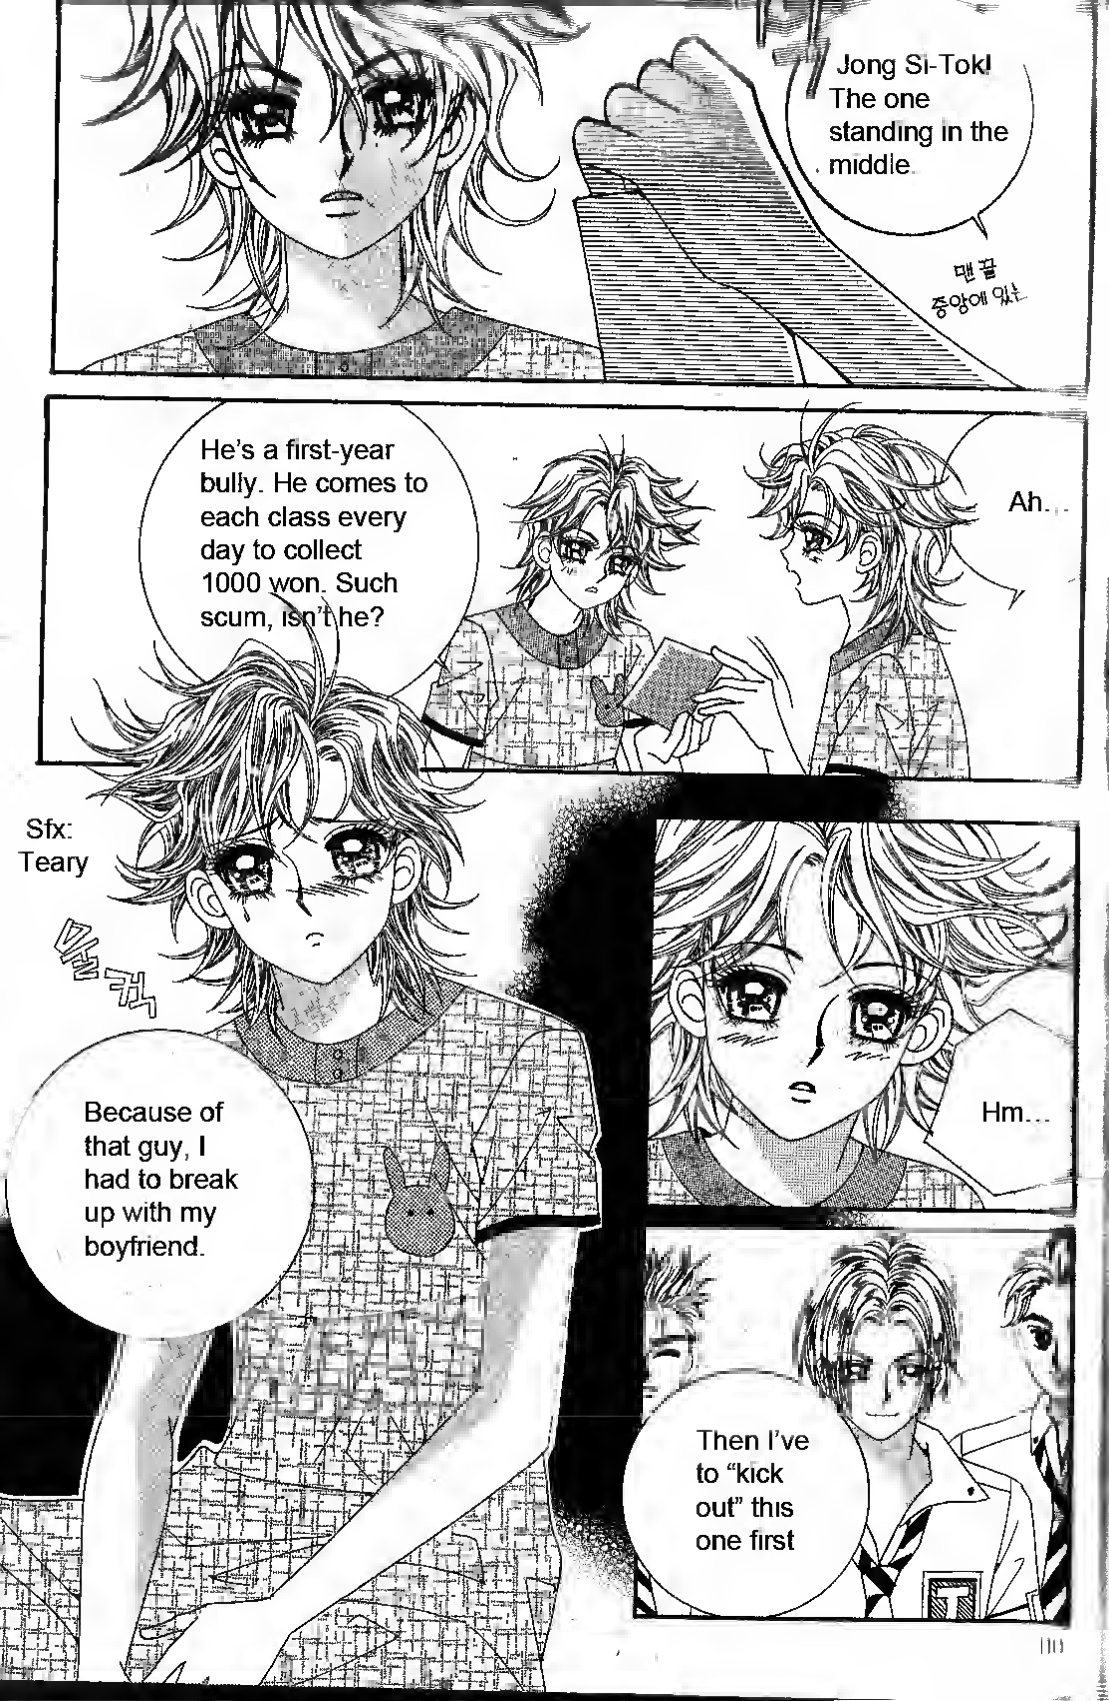
Did those male students bully you again?
Mom. Dad. Please let me transfer to another school!
YES! Look here, these are bruises!
What? They beat you?
Go with me tomorrow! Those bastards, they even hit women? I'll teach them a lesson
What is this?
And you, you even beat your classmates, making the teacher call home constantly.
I thought she was going to hit me, so I hit first. I didn't know she was.. confessing
I just didn't think, Mom.

This is troublesome. If you want to transfer, we have to move. But we have the restaurant, so it'd be difficult.
If I can't transfer, then I won't go to school starting tomorrow.
Haa.. I also want to transfer.
아아아
One goes to school and beats others. The other gets beaten.
I wish the two of you could switch
Such a dilemma.
Hey, that's not such a bad idea.
What? What idea?

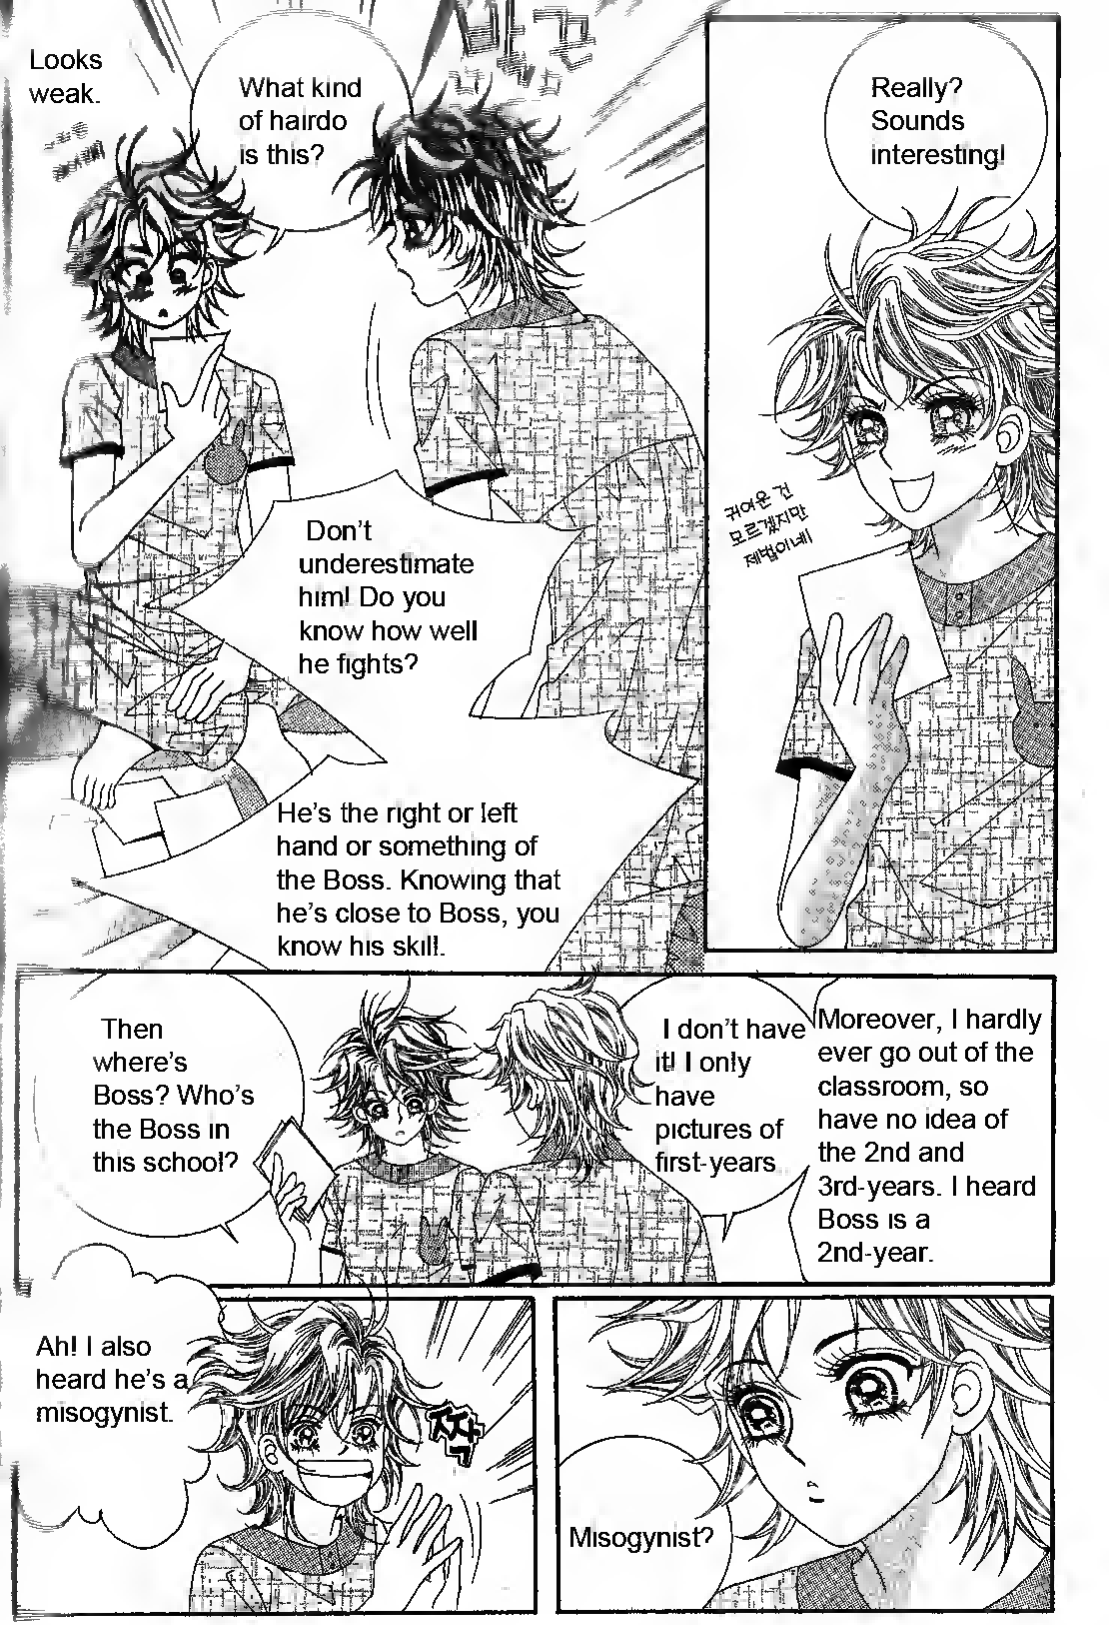
You two can switch school and everything would be great.
You two are already identical twins, if both be careful, no one would notice.
Is that... alright?
Yes! It's perfect!
You and I switch uniform and everything's done. I agree with both hands and feet.
But...
If you don't want to, you can stay at that school for 2 more years for them to "make mincemeat" of you
NO!!!

Okay...let's switch!
Being twins can also be useful!
Let's start with a haircut.
Haircut?!
You're going to let them do it?
It's alright. It'd be fun. Hahaha
Please cut it short, like mine
Are you sure?
* No...my precious hair! Can it grow back again later?

You should avoid meeting those guys after you transferred.
I'll show you the faces you need to dodge.
The one with the porcupine head is Kang Tae-Bong. The one with the beaver head next to him is Kim Jin-Su.
These guys can't stand it when they see girls, the bruises are from them.
Looks just like skewer and kabob*?
And one more even worse than these two...
T/N: *No idea why the comparison. Could be describing their closeness?



Jong Si-Tok! The one standing in the middle.
맨 끝 중앙에 있는
He's a first-year bully. He comes to each class every day to collect 1000 won. Such scum, isn't he?
Ah...
Sfx: Teary
Because of that guy, I had to break up with my boyfriend.
Hm...
Then I've to "kick out" this one first



Looks weak.
What kind of hairdo is this?
Don't underestimate him! Do you know how well he fights?
He's the right or left hand or something of the Boss. Knowing that he's close to Boss, you know his skill.
Really? Sounds interesting!
귀여운 건 모르겠지만 재밌어네
Then where's Boss? Who's the Boss in this school?
I don't have it! I only have pictures of first-years
Moreover, I hardly ever go out of the classroom, so have no idea of the 2nd and 3rd-years. I heard Boss is a 2nd-year.
Ah! I also heard he's a misogynist.
Misogynist?

Now, tell me about your school!
Sfx: Excited
Me? I'm in class 6.
Yes. The way the guys bully the girls is also an order from him.
I don't have any friends. Transfer school and you can friend them yourself.
Don't be like that! At least tell me something about your friends, or goings-on at school
Are you being snubbed?
What's there to tell?
Who am I? Don't worry!

Here, take this!
Beginning tomorrow, you're me.
And I am Do Dan-Ji.
I'm you.
You're me.
Yup

Student ID
Name: Do Ra-Ji Class 6 Year 1
Certifying the student above is student of Chun Hwaj All Girl School
Student ID
SO IDENTITITIES ARE SWITCHED.
My God! You two are really switching schools?

You're Dan-Ji, and you're Ra-Ji, aren't you?
No! I'm Ra-Ji, and I'm Dan-Ji!
Ah!
General! Did you sleep well?
Haha, you're very spirited today
So you're Ra-Ji
Bingo, Mom!
From today, I'm Do Dan-Ji. So even at home, you must call me Dan-Ji, Mom!

I'll die from worry. This'll change their whole future.
It'll be fine. Let's make sure they're safe first.
다녀오겠습니다~!!
앗 나도!

Hello!

Girls!
여자

All are girls!
So calm.
At Jong No, I'm always afraid to the point of vomiting.
From now on, I can freely change in the bathroom without fear. So comfy!
Maybe switching like this is good.

WOA!
I can't stand this ugliness
Just like skinny guy.
Maybe this clip will make it better.
Over there.. is it Ra-Ji?

Hey? Does Ra-Ji put on a pretty hairclip?
*Flop
*Clop
Hello?
Hello.
And she said she has no friend.
What's wrong with you? Why are you dressing and acting like a girl? Is it because I confess that you're acting like this? Isn't it?
난 널 위해
새벽 4시에 일어나
샌드위치까지
만들어왔는데!
Because of you, I woke up at 4 this morning to apply make-up, do you know that?

So Disappointing!
Girls at this school are scary!
Hey, over there!
I must clip this on until my hair grow out
Jong No High School

Bam
*Drumming
Let's "attack"!

nervous
Yeah! I finally step foot in Jong No High!
오싹
I feel anxious and agitated
두근
두근
Want to "make a basket"?
HaHaha...all are guys.
Just like an adventure.
It seems like the day when I become Boss of Jong No is not so far away?!
How long would it take?
1 Month?
6 Months?
1 week?
Or... Today?

What's the hurry? I should "chew" slowly
*flutter
Hey, I also have the same one.
What's this? Such a nice striped pants, why hide it?
You guys? What are you doing?

Oh hey, aren't you that bucket girl the other day? Can you run around and clang for me?
Is this really her?
What bunch of country kids?
Damn it!
What did you say? Country? Country?
Do you know who I am?

So...
?!
You're skewer and kabob
Kabob?
Skewer?
So lucky! I have unfinished business with you kids.
It's too crowded here, let's go somewhere quieter.
That girl probably found some good place for a grave. That's why she dares to provoke us
Follow me! Hurry up!
Ha ha Going somewhere quieter, what would she show us?

This school looks like this but it has such a big gym?
This school has all guys, so such a big gym is obvious.
*Clack
Hihi, so it's like that.
Why did you close the door?
If there's fun, you only need to show it to us.
That's fine. You look like that but you're so thoughtful.
Probably be embarrassed if people saw them get beaten.

Are you really doing it? It's surprising that you think to serve us so soon
You swine! What are you saying?
Enough! Hurry and fight!
I'm busy!
Fight? With us?

If you think that just cutting your hair would give you enough strength, you're wrong, little girl.
Why do I have to go first, are you my boss?
Tae-Bong, show her what manner is.
?!
This kid, you're annoying! That's not important.
Now is not the time for petty rivalry.
Not important? Then why don't you hit first!
These two are so irritating!

Then let's go at the same time!
Those idiots!
Planning to run?

타닷
!!
!!
휙

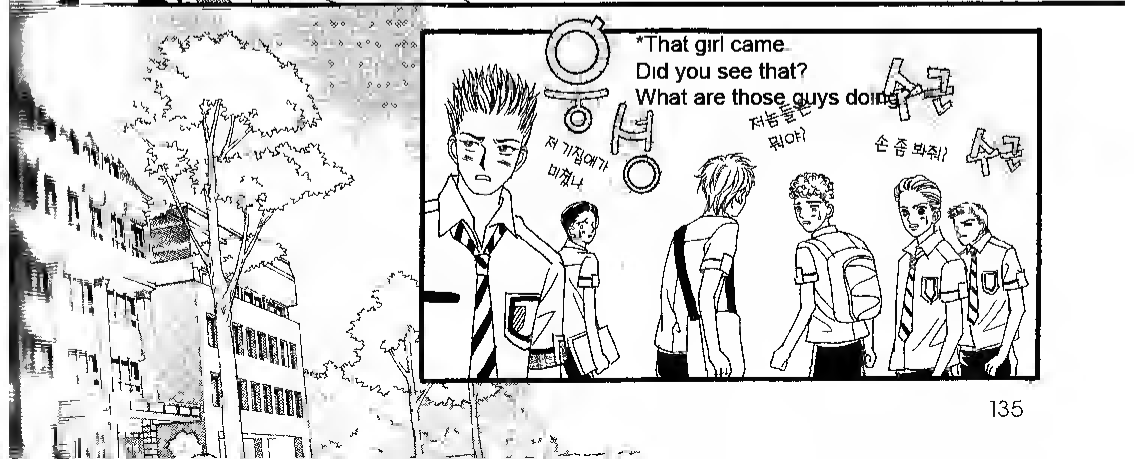
uh
ugh
Even if I predicted this, I've never thought they'd be this bad.
: I give up! Give up! Please get down!
My stomach!
Apologize for hitting Dan-Ji! Then I'll think about it!
Fine! Fine! I'll say it! God!
I told you it hurts!

I'm sorry!
Sorry for bullying you this whole time
I am too.
I'm sorry!
You kids regret it so much, so this big sister will let it go this time.
Didn't you already hit us?

Porcupine: If you're so good, why did you endure it the whole time?
Huh?
Because
I only want to live peacefully!
But I have to help myself now. I will be myself again.
I usually don't accept subordinates. But since you kids already kneeled and said sorry, I'll let you be my subordinates.
Feeling honored?
Subordinates?
It's not like we want to kneel.

You are Kim Mu Ok.
You are Mun Yong Chou.
*아인시대 극 중 유도선수 출신으로 김두한의 부하
From now on, you're the right and left hand of this big sis, it's great.
Where does naming other people come from?
Do we even get to refuse?
If I want to avenge father, I have to build a group of my own.

From now on, you're mine. Follow your first order.
What is it?
Bring me bread!



*That girl came.
Did you see that?
What are those guys doing?
